

## Special Events for Winter!

Check out our website at [www.biparks.org](http://www.biparks.org) for updates and additions!!

### KINGS OF MONGREL FOLK Orville Johnson & Mark Graham Friday, February 5, 2010

Why would two of the most talented, zany and widely-respected roots musicians in the United States - both of whom have appeared on Garrison Keilor's Prairie Home Companion - choose to go on the road as a duo? Simple: Mark Graham and Orville Johnson love the magic when they play together as much as their audiences do. "People comment on that all the time," says Orville. "They can tell we're having a good time up there. We play on a lot of different emotions." Wry humor, virtuoso harmonica, soulful blues, hot pickin' and sweet country vocals - that's what you get when Orville and Mark combine forces as the Kings of Mongrel Folk.

Advance tickets available at Winslow Drug and the Park Office, or call (206) 842-2306 ext 18. Advance adult \$13; door \$16; students \$10. Concert will be held at **Island Center Hall, 8395 Fletcher Bay Rd.**

### 10th Annual Bainbridge Island STUDENT ART CONTEST Sunday, March 7, 2010

Sponsored by the BI Arts & Humanities Council

The 10th annual BI Student Art Contest will be held at the Pavilion, and is open to all Bainbridge Island students and residents. There are a variety of mediums and categories. **For full details, please check out the rules on the Arts and Humanities website after January 1 at [www.artshum.org](http://www.artshum.org).**

### BATTLE OF THE BANDS - p. 18

### A Photographic Journey to Madagascar with photographer Jerry Matthews, Sunday, February 7, 2pm

This show is being presented by photographer Jerry Matthews to share his two week visit to the remote island of Madagascar. The focus is the people, the native creatures and the overall environment of Madagascar. He was one of five photographers on an expedition organized and led by China Span president, Keren Su. They traveled from the capital city, Antananarivo, by air, to many coastal areas in Madagascar.

Jerry has been photographing for the past 50 years with an emphasis on landscapes, flora, fauna and nature. In his international travels over the past 20 years his focus has been the local color. **Island Center Hall.** This event is free and open to the public.
